Substance Abuse Helplines

These resources have trained staff available 24 hours a day, 7 days a week, who you can talk to in confidence. They can direct you to local organizations that can help you take that next step.

Substance Abuse and Mental Health Services Administration National Helpline, 1-800-662-HELP (4357) is a confidential, 24 hour, 7 days a week information service, available in English and Spanish, for individuals and family members facing drug and mental health issues. The service provides referrals to local treatment facilities, support groups, and community based organizations.

National Alcoholism and Substance Abuse Center (NASAIC), 1-800-784-6776 has a listing of drug and alcohol treatment centers for every level of treatment. You can call, live chat or fill out a contact form to talk with staff who are available 24 hours a day, 7 days a week.

National Intervention Referral, 1-800-399-3612, is a resource to use when looking for information on and help with interventions with alcohol and drug problems. You can contact the trained staff 24 hours a day, 7 days a week to talk with them about the intervention process and to get treatment referrals.

Boys Town National Hotline, 1-800-448-300, is a resource and referral hotline staffed by trained counselors 24 hours a day, 7 days a week, who respond to

questions about family and school problems, pregnancy, suicide, chemical dependency, and sexual and physical abuse. They also have a chat room.

National Council on Alcoholism and Drug Dependence (NCADD), 1-800-NCA-CALL (622-2255), NCADD provides assistance to those who need help and guidance confronting alcohol or drug dependence, 24 hours a day, 7 days a week.

Crisis Text Line—Text “Listen” to 741-741, is similar to a traditional hotline in that teens are connected to trained counselors, but instead of talking, you text. They provide assistance for any type of crisis, and are available 24 hours a day, 7 days a week.
